ReBirth International Ministries Inc.

Winter 2017 - Spring 2018

Dr Brygitte Lusinski, D.R.S
Founder / President

Dear Friends and Partners of ReBirth Ministries Inc.

Time passes so quickly. Before you know it, a year has passed, then two. What a tough time it has been for us all. Many changes arose. In the past two years, ReBirth Ministries went through an extremely tough time. Thanks to GOD'S greatness and love we survived it all!!!

Two years ago, our dear Sister in Christ from Malawi, Pastor Christie went to be with the Lord after a very brief sickness. ReBirth Ministries was one of the main sponsors of her orphanage and schools.
Our sister Carmen Bel from Bolivia/Peru was diagnosed with cancer. She had to fly back to her home country of Spain to go through treatments for six months. Praise God, she is alive and doing extremely well.

Furthermore, our dear Brother Arulappan who took care of our ministry in India, died unexpectedly last year of a heart attack. Thank God, his two sons took over the ministry and are continuing his vision. ReBirth Ministries are continuing the vision with them.

Lastly, January 2nd of 2016, I was diagnosed with breast cancer. The devil was attacking our ministry, but he had lost his battle. After a double mastectomy, I am cancer free and doing GREAT! GOD IS GREAT AND HE IS IN CONTROL!!!
As proof of our God being greater than the devil, ReBirth ministries just returned from a MISSION TRIP TO BOLIVIA in August of 2017. I Invited Pastor Jacqui Dominick from Calvary Christian Fellowship in Ormond Beach to join me and be a guest speaker. God has shown his love and care one more time. Praise God, he is never late, and he turns all bad situations to good. You can read more information and see pictures of our mission trip on the following pages.
Thank you very much for your prayerful partnership, continued support, and your sacrificial involvement with me to establish and expand the Kingdom of our God Jesus Christ.
Your friend and co-worker in Christ,
Brygitte Lusinski

Report From Bolivia by Pastor Jacqui August 2017

On August 2nd Brygitte Lusinski and I were blessed to take a mission trip through ReBirth Ministries. *We were greeted by Missionaries Pastor Juan and Carmen Bel. We did not know what to expect in Bolivia, yet I'm glad to have had the opportunity to see how ReBirth Ministries sowed into good ground. It saddens my heart to see woman and especially children selling anything from homemade bakery goods to beverages on the busy street corners; we have so much to be thankful for.*

We visited Nuevos Pasos Pre-Kindergarten 3 and 4 year olds and the children were so full of joy. They were preparing for Bolivia Independence Day. I am happy to share that the teachers are amazing. We also stopped at the second location where they daily tutor and feed Pre-Kindergarten and older children. What a blessing to see the sacrifices made to help those in need.

We had the opportunity to visit the Children's Oncology Hospital. We prayed for total healing, met a nutritionist that will teach them how to cook, and will look for a way to bless them. Smiles, tears, and more smiles beamed through the pain; as they shared their gratefulness of YOUR CONTRIBUTIONS aided them in their time of personal need.

In Lemon City Camp, Brygitte and I teamed up to share the word of God in the morning and evening for two days.

I am so thankful to God that he has allowed me to see fist hand the amazing work that ReBirth Ministries performs in countries less fortunate than ours.

Thank you with all our heart and may God give back to you a good measure, press down, shaken together and running over…..

Pastor Jacqui Dominick of Calvary Christian Fellowship of Ormond Beach, FL

A Note from Pastor Juan

Nuevos Pasos Orphanage in Santa Cruz, Bolivia

In one of the poorest neighborhoods of the city, more than three years ago, we started this work that attends many kids in extreme poverty.

"There is no better way to describe it, what happens here is because we are your feet and your hands, it's for your prayers, for your offerings, for your compromise with the great commission and with God. We are reaching hundreds of kids, parents and teachers through this program of prevention and detection. It isn't easy to live these realities in a country where the sexual abuse is an epidemic, but between all of us we are releasing many children of this awful reality. KEEP HELPING US!"

Meet Our New Board of Directors

Due to my sickness and relocation to Florida, God has led me to meet a wonderful woman here in Palm Coast. With gracious love, she accepted the position of being on our board of directors.

The Rev. Dr. Darla Dee (Dee Dee) Turligton is an ordained American Baptist pvastor who served 20 years at the First Baptist Church of Westfield, NJ, retiring in June of 2010. Currently she serves as the volunteer Minister of Spiritual Life at the Hammock Dunes Community Church, Palm Coast, FL. She also co-leads a Community Bible Study and Volunteers with Hospice Care and with Christian Partners for Prayer and Healing. She serves on the Board of the Ministries Council, American Baptist Women in Ministry, and the Divinity School of Wake Forest University in Winston-Salem, NC.

We welcome her with love to our board of directors. I am certain her contribution to our Ministry will be enormous.

Our Vision:

- To reach out and feed the orphans on a daily basis in four countries, Zambia, India, Peru and Bolivia.
- To help meet the needs of the poor and widows. To spread the Gospel by showing the love of Christ and helping with food, clothing and a place of refuge.
- To help build schools, orphanages, and water supplies. To be supportive to those who are outcast such as lepers.
- ReBirth remains dedicated to honor the name of "Jesus" on earth and to demonstrate his love.
- To find and connect with believers who are hungry for the Word of God in order to strengthen them, and send them out to their own cities to preach the gospel.

Happy Thanksgiving, Merry Christmas, and a Happy New Year to all of you and your loved ones. May God bless you all.
