EXPERIENCE

---

SUMMER 2011 **Part-Time Faculty** School of the Art Institute of Chicago | Chicago, Illinois  
**Architecture, Interior Architecture and Designed Objects**

- Designed and implemented curriculum Graduate Freehand Drawing to incoming AIADO graduate students. Led students to leverage sketching as a design tool
- Encouraged students to understand and develop their own communication methods and processes through observational drawing

SUMMER 2010 **Head Designer** Pocket Tales | Indianapolis, Indiana  
**Graphic and Front End Designer**

- Led design efforts for online social reading game for children. Worked with Duane Bray of IDEO on UI assets, such as player avatars and amulets
- Designed and illustrated front end to secure financial backing from investors like Startl, SproutBox and publisher Houghton Mifflin Harcourt

2008 - 2009 **Interior Architectural Designer** Associated Space Design | Cleveland, Ohio  
**Ford's Theatre Renovation**

- Coordinated efforts between numerous consultants and historical boards to provide clear construction and permit documents for the historic Ford's Theatre Society
- Monitored construction administration to ensure correct specification of materials and code requirements in accordance to client's historic requirements

2005 - 2008 **Interior Architectural Designer** Gensler Architecture | Atlanta, Georgia  
**Retail, Hospitality and Workplace Studio**

- Developed signage and way finding package for Hewlett-Packard data facility outside of Atlanta, GA
- Designed rendered perspectives for various Bank of America sites to provide client with graphic presentations
- Worked with team to deliver project for two call centers totaling 100,000+ sq. ft. Responsible for finish selection, presentation documents, as well as construction documents from schematic phase to construction completion
