CERTIFICATION OF COMPLIANCE WITH DRIVER LICENSE REQUIREMENTS

The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous materials that required placarding.

The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

DRIVER REQUIREMENTS: Parts 383 and 391 of the Federal Motor Carrier Safety Regulations contain some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows:

1. **POSSESS ONLY ONE LICENSE:** You as a commercial vehicle driver, may not possess more than one motor vehicle operator's license.

If you have more than one license, keep the license from your state of residence and return the additional license to the states that issued them. DESTROYING a license does not close the record in the state in which the license was issued; notification must be given to the state.

If multiple licenses have been lost, stolen or destroyed, close your record by notifying the state of issuance that you no longer wish to be licensed by the state.

2. **NOTIFICATION OF LICENSE SUSPENSION, REVOCATION OR CANCELTION:** Sections 392.42 and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify the company the NEXT BUSINESS DAY of any revocation or suspension of your driver's license.

In addition, section 383.31 requires that any time you violate a state or local traffic law (other than parking), you must report it within 30 days to: 1) The company in which you have contracted to, and 2) the state that issued your license (if the violation occurs in a state other than the one which issued your license). The notification to both afore mentioned parties must be in writing.

The following license is the only one I will possess:

MISUSE OF ALCOHOL AND USE OF CONTROLLED SUBSTANCES POLICY

We value our Independent Contractors who operate under our Federal Authority and we recognize each person's need for a safe and healthy work environment. Supreme is committed to maintaining a safe, drug free working environment for our operators as well as the maintenance of safe highways that are free from illegal drug use and the misuse of controlled substances, including alcohol.

Operators who use illegal drugs or who abuse other controlled substances (including alcohol) tend to be less productive and reliable, and are more prone to accidents and greater absenteeism. All Operators are subject to the provisions herein contained, Part 382 and Sections 383.51, 392.4 and 392.5 of the Federal Motor Carrier Safety Regulations (F.M.C.S.R.) (Controlled Substances and Alcohol Use and Testing), and all other applicable Federal and state laws and regulations.

Therefore, in light of all the above factors, we forbid the unlawful use or possession of alcohol, controlled substances, or other drugs; and ask that all our drivers give attention to their overall health and welfare, as well as the welfare of others.

Supreme Auto Transport, Inc. has a zero tolerance policy regarding drugs and alcohol and therefore an operator who tests positive for drugs or alcohol while on duty will be terminated immediately.

It will be up to the contractor to find a Substance Abuse Resource at their own expense. This new policy will be in effect immediately.

If you have any questions regarding this policy, please contact the Safety Department at Supreme Auto Transport, Inc. Please sign and return.

**IMPORTANT DISCLOSURE
REGARDING BACKGROUND REPORTS FROM THE PSP Online Service**

In connection with your application for employment with _____ (“Prospective Employer”), Prospective Employer, its employees, agents or contractors may obtain one or more reports regarding your driving, and safety inspection history from the Federal Motor Carrier Safety Administration (FMCSA). When the application for employment is submitted in person, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer will provide you with a copy of the report upon which its decision was based and a written summary of your rights under the Fair Credit Reporting Act before taking any final adverse action. If any final adverse action is taken against you based upon your driving history or safety report, the Prospective Employer will notify you that the action has been taken and that the action was based in part or in whole on this report. When the application for employment is submitted by mail, telephone, computer, or other similar means, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer must provide you within three business days of taking adverse action oral, written or electronic notification: that adverse action has been taken based in whole or in part on information obtained from FMCSA; the name, address, and the toll free telephone number of FMCSA; that the FMCSA did not make the decision to take the adverse action and is unable to provide you the specific reasons why the adverse action was taken; and that you may, upon providing proper identification, request a free copy of the report and may dispute with the FMCSA the accuracy or completeness of any information or report. If you request a copy of a driver record from the Prospective Employer who procured the report, then, within 3 business days of receiving your request, together with proper identification, the Prospective Employer must send or provide to you a copy of your report and a summary of your rights under the Fair Credit Reporting Act. Neither the Prospective Employer nor the FMCSA contractor supplying the crash and safety information has the capability to correct any safety data that appears to be incorrect. You may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If you challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data. Your request will be forwarded by the DataQs system to the appropriate State for adjudication. Any crash or inspection in which you were involved will display on your PSP report. Since the PSP report does not report, or assign, or imply fault, it will include all Commercial Motor Vehicle (CMV) crashes where you were a driver or co-driver and where those crashes were reported to FMCSA, regardless of fault. Similarly, all inspections, with or without violations, appear on the PSP report. State citations associated with Federal Motor Carrier Safety Regulations (FMCSR) violations that have been adjudicated by a court of law will also appear, and remain, on a PSP report.

The Prospective Employer cannot obtain background reports from FMCSA without your authorization.

I understand I may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If I challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data.
