

Preparation

For each room to be cleaned the following is recommended:

For each Guest Room

- 1 PerfectCLEAN® YELLOW Terry WIPER PER GUEST ROOM (Cleaning Guest Room)
- 1 PerfectCLEAN BLUE Terry WIPER PER GUEST ROOM (Dust Guest Room)
- 1 PerfectCLEAN GREY Terry WIPER PER GUEST ROOM (Dry Glass Ware – *if applicable*)

Guest Room

For each Guest Room

- 1 PerfectCLEAN ORANGE 11" FLAT MOP PER WASHROOM (Walls & Floor)
- 1 PerfectCLEAN ORANGE Terry WIPER PER WASHROOM (Faucets, etc.)
- 1 PerfectCLEAN ORANGE MITT PER TOILET (*isolates the toilet from other fixtures*)

Bathroom

Cleaning:

1. START with washroom: First pick-up towels put in laundry bag. Remove any litter
2. **DO NOT** FLUSH TOILET
3. Start by misting bathroom with disinfectant start high (shower head) to low (base of toilet).

Be certain to cover:

- Toilet base, seat, flusher, tank base, seat and inside toilet
- Faucets (sink & shower)
- Shower/tub including faucets, shower head, door handle, drain, soap dish, towel holders, etc.
- Doorknobs and light switches.

4. DO NOT WIPE DOWN BATHROOM AT THIS TIME.

5. NEXT: *Clean Guest room*

6. On a periodic basis use 12" Orange (or Blue) Flat Mop to clean inside of room windows (OPTIONAL) BEFORE using in bathroom.
7. After Guest room has been cleaned, return to bathroom. Start high (shower) working low with 12" Flat Mop.
8. Mist and use additional disinfectant as needed.
9. Use ORANGE Mitt (double sided) to wipe down the toilet tank. Once complete, rotate Mitt so that back (clean) side is at palm. Use this side to clean bowl, rim and seat. DO NOT USE for any else – put into laundry.
10. Scrub toilet bowl, close lid and NOW flush.
11. Then clean mirror and wipe down all areas including sink with ORANGE PerfectClean® wiper.
12. Mop around toilet last.
13. Remove Flat Mop at door and put into laundry bag.

SUGGESTIONS: A PerfectCLEAN Guest Room!

1. Clean guest room, change linen, open curtains, vacuum (all activities that raise dust)
2. Vacuum: Use crevice tool on all floor-baseboard interfaces.
3. Fold BLUE wiper in half - then half again (2 fold method: result = 8 cleaning surfaces).
4. Mist wiper with cleaner / sanitizer and wipe ALL surfaces PEOPLE TOUCH.
5. Start high and work downwards to low points:

Example:

- Light & lamp switches
- TV remote
- ALL door knobs and handles
- Security chain / latch
- Ice bucket
- Telephone hand set
- Drapery pull-rod
- Arms of chairs
- Desk top / drawer knobs
- Thermostat and/or A/C control panel
