

Vocantas Announces Integration with Workforce Central 7 and Workforce Central 8

Vocantas' interactive automated staff communication modules now offer integration with Kronos' Workforce Central 7 and 8

OTTAWA, ON - May 17, 2017 - Vocantas is pleased to announce integration with Kronos [Workforce Central](#) versions 7 and 8. Vocantas' commitment to remaining in lockstep with Kronos ensures that Vocantas' integrated solutions are future-proof, and joint customers of Kronos and Vocantas can stay current with the latest offerings from Kronos. As Kronos continues to innovate as the global leader in workforce management, Vocantas will ensure that communicating with your customers is always seamless and stress-free.

"Whether your company is using Vocantas' inbound Absence Reporting module, our Auto Shift Callout, or any other module from our suite of Kronos-integrated communication tools, we want our customers to know that their systems are ready for any future upgrades - and we will support our customers every step of the way," said Gary T. Hannah, CEO, Vocantas. "We see each customer as a collaborative partner, and are pleased to be able to offer customers future-proof solutions that welcome worry-free upgrades."
