SHAWN HURLEY
EXPERIENCE DESIGNER

Who I am

My name is Shawn and I like to make loud, fun, and interactive things. Really, I just like to make things that make people smile. I love cartoons and have pitched several cartoons to major studios. I used to play the drums, I love dogs, and I have a tattoo that says “Show up and try.” Lately I have been working at a small agency on Google’s new Chromebook work.

What I’m good at

User interface design / UX design / Animation
Video editing/ Concept development /
Physical prototyping / Strategic thinking/

Where I’ve worked
