Tobeka Madiba Zuma Foundation visits St Martins Diocesan Home for Children for a Fun Day with the children.

Madam Tobeka MadibaZuma's daughter Nqobile and Owami showed an act of love as they help initiate and plan a visit and Fun Day at St Martins Diocesan home in Glenwood, Durban, RSA.

The Tobeka Madiba Zuma Foundation along with the two young ladies visited St Martins on Saturday, 18 March 2017 towards reaching out to the less fortunate, showing unconditional love and helping them to a Better Life. The program set for the day included obstacle and fun games between the children and TMZF team which was filled with laughter and happiness amongst all. Lunch was served at midday and later sealed the day with a special performance.

TMZF places great value on unconditional caring and providing community development initiatives that give hope to the hopeless and poor. We all have a part to play in ensuring a Better Life for all, regardless of social setting.

The Tobeka Madiba Zuma Foundation, founded in 2009, is an advocate for prevention, treatment and care for non-communicable diseases, a Cancer smart South Africa, TB and HIV prevention, treatment and care. For more information Follow TMZF on Facebook, Twitter and Instagram.
