— An amazing season in 2016 — 2,000+ yards, 100+ yards rushing in each game. The guy has been a 100+ yard rushing machine in his career...and has played at as high a weight as 245-250 pounds. He has a size and speed in and around Leonard Fournette. There are a lot of questions about his 6 lost fumbles last season. We look at it all and make some interesting NFL comparisons in are full scouting report...
