

Corporate Social Responsibility

Scope

This policy applies to Eddison Knight Ltd and its subsidiaries. Hereby referred to as “Our Company”.

Policy Elements

Our Company has decided on two consistent activities.

1) Preparing for the Future

Our Company wants to help the young people in schools become more aware of the future of jobs within the fast moving technological and digital world we are increasingly moving towards. Currently we are presenting in schools to support this learning.

If you would like further information about how your school can be included in this, please contact us on teach@ekrec.com

2) Profit Donation

We have selected 3 charities for FY 17-19 (inclusive) to have an equal distribution of our Social Corporate Responsibility fund. Those are:

Multiple Sclerosis Society

Registered Charity Number 1139257 / SC041990

The UK's biggest MS charity.

- Over 32,000 members have a say in how we're run.
- 5,500 volunteers give over 700,000 hours every year.
- 285 staff work in all 4 nations of the UK.
- Over 270 local groups support people with MS locally.
- One aim: to stop MS.

Alzheimer's Society

Registered Charity Number 296645

At Alzheimer's Society, we believe passionately that life doesn't end when dementia begins. We are here for anyone affected by dementia, and we do everything we can to keep people with dementia connected to their lives and the people who matter most

CAREducation Trust

Registered Charity Number 1071963

When we see 'Sponsor A Child' adverts we are moved by the images. However, do we know how much of our donation is actually spent on the child's welfare? Enter CAREducation Trust, a grassroots charity whose motto is "Every child deserves the right to an education and a life free from abuse, poverty and discrimination". The tipping factor is that every penny donated is used for the welfare and education of the children they support.

All charities receive an equal share from the CSR fund.
