To Whom It May Concern:

It is with pleasure that I write this letter of reference for OnSite Development. Associated Food Stores, Inc owns and operates 43 grocery stores, which operate as Dan's Supermarkets, Lin's Supermarkets, Dick's Supermarkets, Macey's and Associated Fresh Markets. OnSite Development has helped Associated Food Stores with many projects, all of which have been very successful from Associated Food Stores point of view. We consistently found their management of each project to be "among best of class" in quality control, cost management, scheduling and overall project administration. OnSite Development demonstrated their expertise at all levels of service. They provided solutions to assist in cost savings, utilize quality sub-contractors and develop/maintain schedules to accommodate others schedules. We feel confident that OnSite Development will do an outstanding job to help you meet your challenges as they have done for us.

Sincerely,

L. Michael Jackson
