To Whom It May Concern:

This letter is written as a strong recommendation for OSDI Asphalt Maintenance's entire team.

From the first time we met with OSDI Asphalt Maintenance's team until the job was 100% complete, OSDI handled themselves with the highest possible level of integrity, ethics, and fair and honest dealings.

Our project was completed very smoothly, with virtually none of our assistance, as they did a great job and no issues for our facility. They met and exceeded our highest expectations.

My observation of OSDI Asphalt Maintenance is that they are first class in every way and conduct a very professional business.

If this reader is considering engaging in business with OSDI Asphalt Maintenance, I would highly encourage you to use OSDI Asphalt Maintenance's team. I know you will be impressed and delighted with their performance!

Sincerely,

Tony Moore, State Officer
Southern Utah Veterans Home
