

## ARCTIC SAFARI – PRACTICAL INFORMATION REGARDING EXPEDITIONS

### WHAT TO BRING ON EXPEDITIONS WITH ARCTIC SAFARI

#### EXPEDITIONS UP TO 3 DAYS WITH M/V «BIGFISHER II»

##### CLOTHING:

Bring your own warm and windproof clothes – this applies for both summer and winter. Bring also headwear, scarf and gloves. We recommend two sets of underwear and woolen shirt – experience has thought us that this is the most effective when it comes to keeping warm out in sea. We also recommend UV protected sunglasses. If needed Arctic Safari has thermal suits for rental. Life jackets will be received onboard.

##### FOOTWEAR:

Wear warm and light shoes, and some warm socks – preferably of wool. The footwear is particularly important onboard.

##### BEDDING:

We have everything you need onboard; duvet, pillows and sheet, as well as hand towels.

##### SMOKING AND ALCOHOL:

Bringing alcohol or smoking indoors onboard is not allowed.

##### MEDICINE AND FIRST-AID KIT:

Gives us a notice beforehand if there's any health issues we need to be aware of and take into consideration. We have a first-aid kit onboard.

##### SERVING:

On expeditions up to 3 days will there be served two hot meals onboard. Warm coffee is available all day, and you can purchase mineral water onboard. We also have bread, butter and spread. If you need more food than this, you must bring your own.

##### STORAGE ONBOARD:

There's limited storage room onboard, and therefore it's important that everything you bring is well planned. For example, it's not practical to bring large suitcases onboard – we recommend bags which is easier to store.

##### OTHER:

We have a shower with hot and cold water and a toilet with soap, toilet paper and towels.

We have a generator that we start if required. You can charge your phone, computer and photo equipment onboard.

We have all necessary equipment onboard for fishing, and will assist everyone on how to use it.

Feel free to bring your own equipment, but no more than two rods per person and one gear box. Please inform us if you bring your own equipment beforehand.

We have harpoon, knives, rod holders, hooks, flying gaff and tailer onboard. We also have a crane on the back of the boat to help bring up the big fishes.

Remember to bring your camera and charger / extra battery 😊

Welcome onboard 😊
